

Adding Email to your iPad

Canyons School District
Education Technology Department
9361 S. 300 E.
Sandy, UT 84070
Help Desk: 801-826-5544

Step 1:

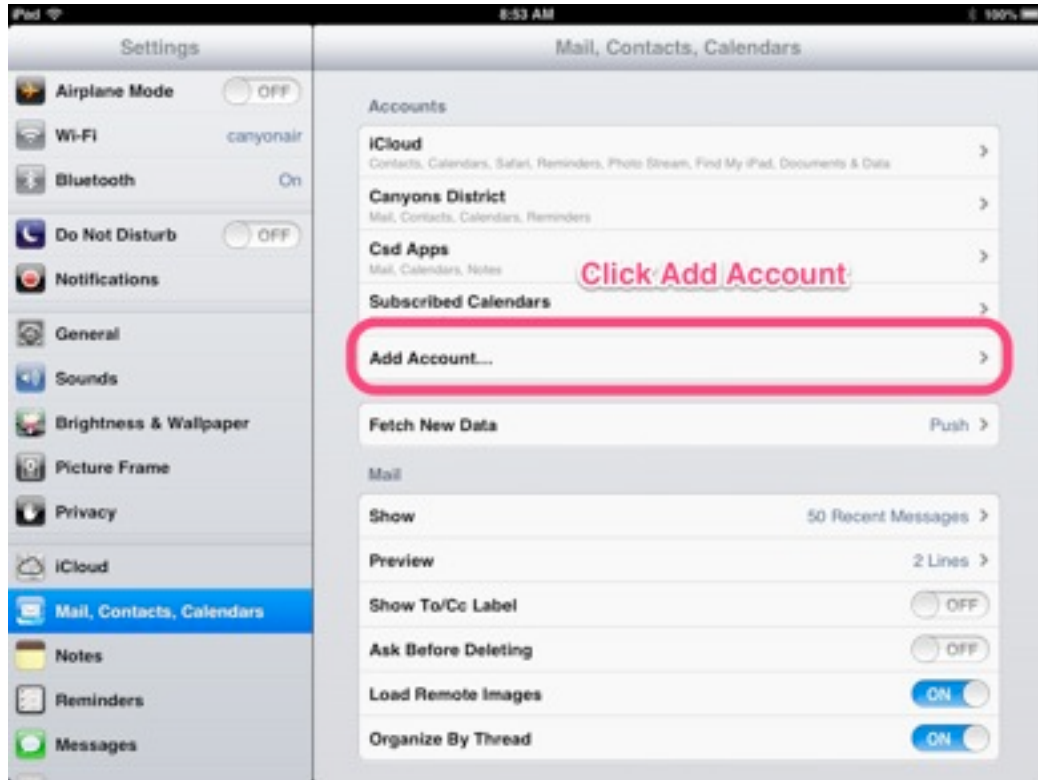

Step 2:

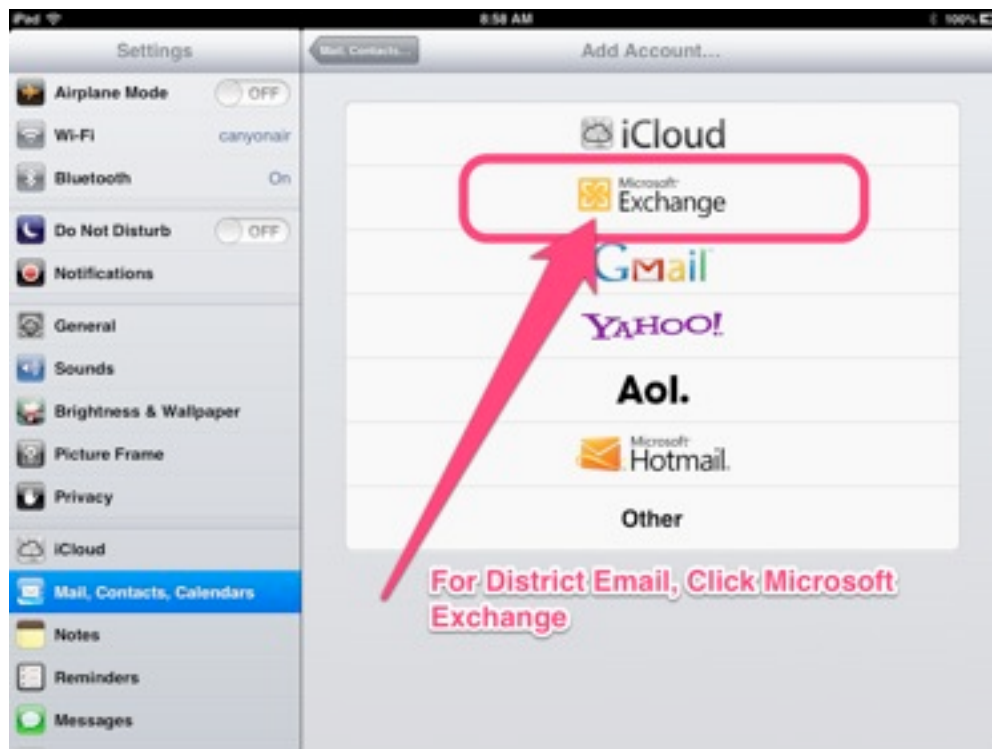

Step 3:

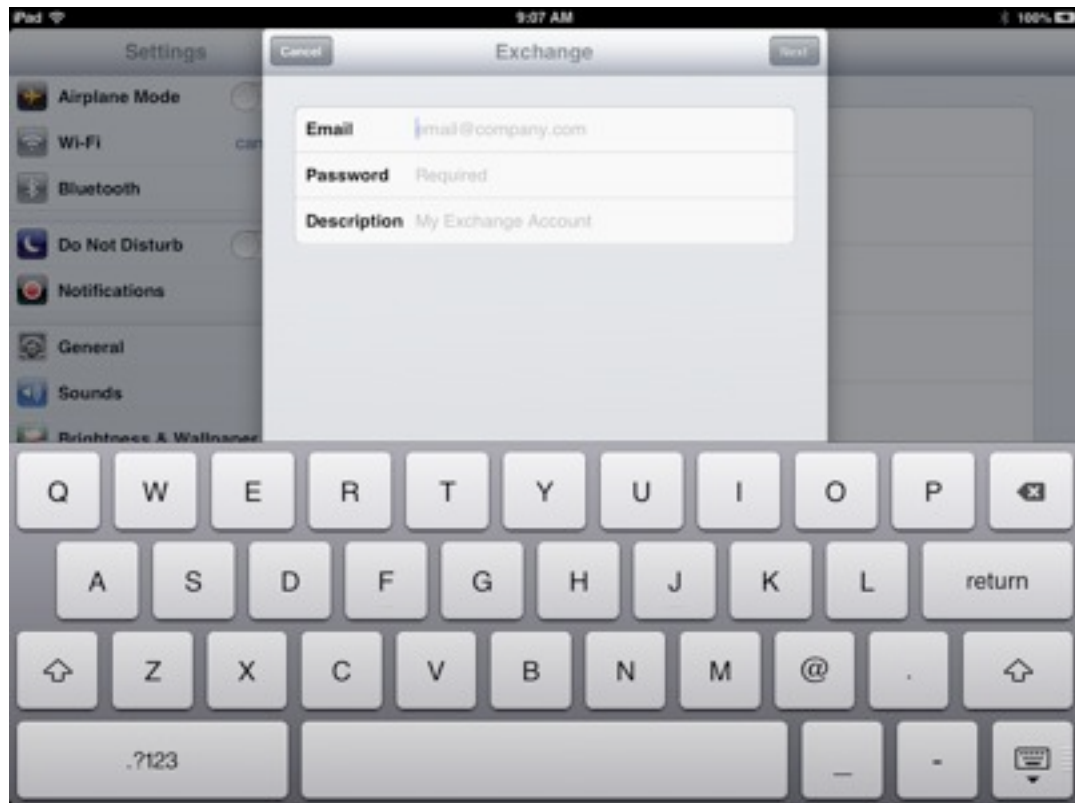

Step 4:

Step 5:

This screen will appear first, make sure you use your full email address and your current email password.

It is also recommended to change the Description to: Canyons District.

Step 6:

The screenshot shows an iPad interface for configuring an email account. At the top, the status bar displays 'AT&T 4G', '12:44 PM', and '84%' battery. The title bar contains 'Cancel', 'Account', and 'Done' buttons. The main content area includes the following fields:

- Email:** NATALIE.JOHNSON@ca...
- Server:** email.canyonsdistrict.org
- Domain:** canyonsdistrict.pvt
- Username:** natalie.johnson
- Password:** [masked with 8 dots]
- Description:** Canyons District
- Use SSL:** ON (toggle switch)

This is an example screen of how to fill out the blanks on the iPad. This screen will come up after you have completed Step 5.

Note that it will take a couple of minutes to load your email messages from the server. Also, that it will only display emails from the past few days. You can still search for older messages, however.
